

# TECHNOLOGY

## Fast. Reliable. Simple.

Our complimentary business center will be a convenient technology solution during your stay.

### **FREE INTERNET ACCESS**

Complimentary wired and wireless high-speed Internet access is available in all Hilton guest rooms. Meeting planners have another great reason to hold their next seminar, workshop or special event when relying on wireless Internet access. Attendees and presenters alike can enjoy the flexibility of this service for online product demonstration, video conference capabilities, interactive training and more.

### **REMOTE GUEST PRINTING SERVICES**

This unique printing service allows hotel customers to print from a notebook computer in guest rooms to a central printing source located within Hilton's 24-hour business center.

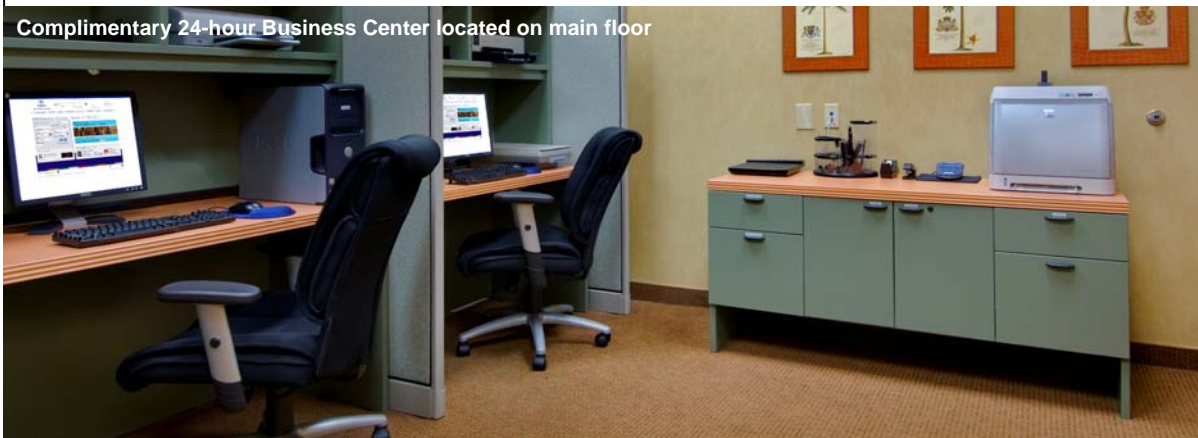

### **WIRELESS HIGH-SPEED and Wi-Fi**

Have the freedom to use a laptop or any Wi-Fi device anywhere in the hotel. Wireless high-speed Internet access service is available in hotel lobby, lounge and LUNA Restaurant.

### **STEREO SPEAKER CONNECTIVITY FOR MP3 PLAYERS**

Through new Hilton alarm clocks, guests can take advantage of the MP3 connection to wake up to their favorite song during their stay. With the stereo-quality speakers intact, you will be able to enjoy your mobile music in the comfort of your own guest room.

Complimentary 24-hour Business Center located on main floor
